### STEPS – GETTING STARTED

1. Go to the website: [Flashmind.com](https://www.flashmind.com)
2. Open the Flash Mind to register and create an account with your email:

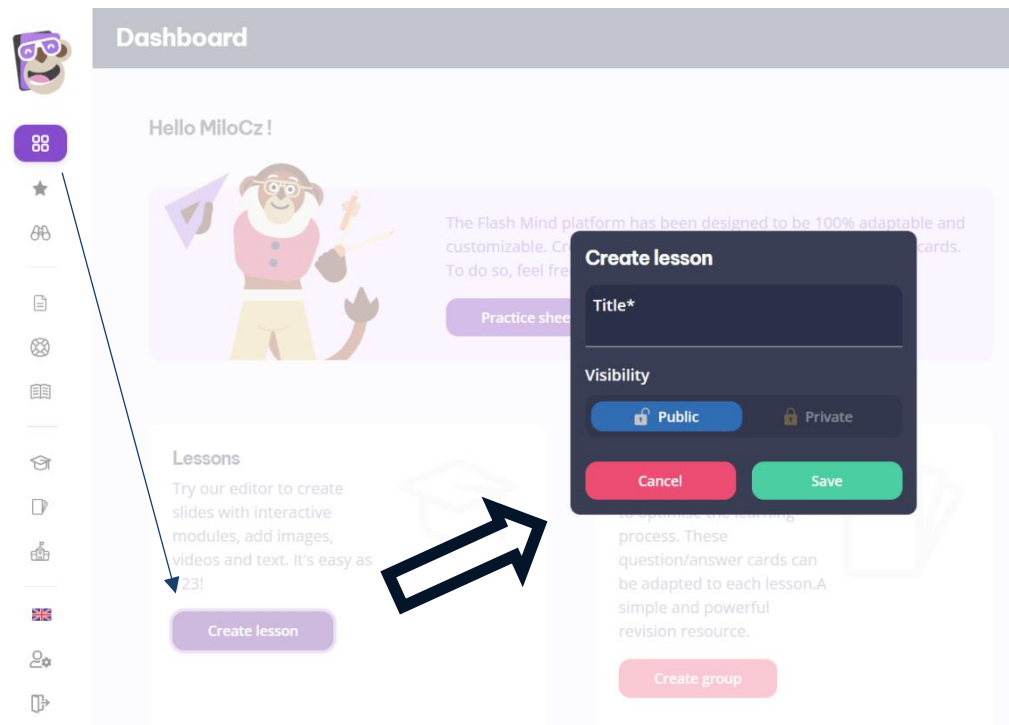

The screenshot shows a web browser window with the URL <https://www.flashmind.eu/register>. The page features a purple background with a cartoon character of a monkey wearing glasses and a red shirt, holding a rolled-up document and a blue folder. On the right side, there is a white registration form titled "Register". The form includes the following fields: "Nickname" (with a placeholder "Nickname"), "Email address" (with a placeholder "Email"), "Language" (with a dropdown menu showing "English"), "Password\*" (with a placeholder "Password"), and "Confirm password" (with a placeholder "Confirm password"). Below the password fields, there is a note: "\*Your password should be at least 6 characters, 1 uppercase and 1 number". At the bottom of the form, there is a purple "Confirm" button and a link that says "I already have an account". On the left side of the page, there is a vertical navigation menu with icons for home, star, social media, document, gear, calendar, and user profile.

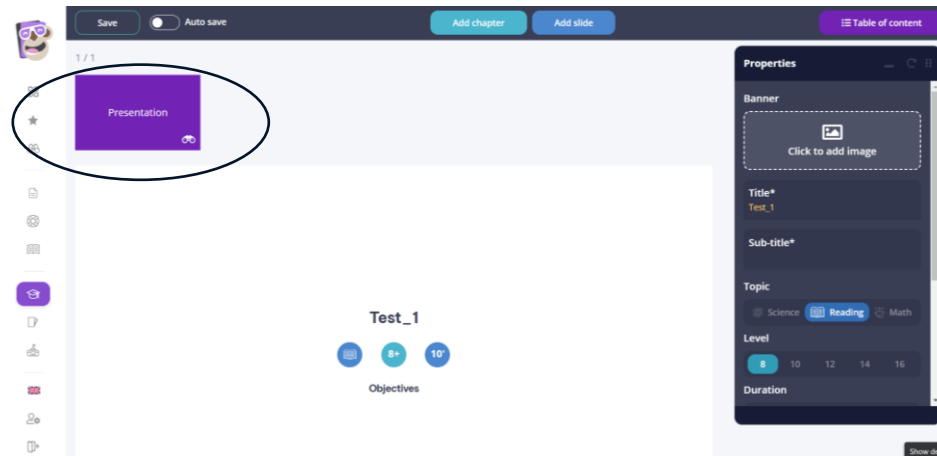

## PREPARE THE ACTIVITY

1. Choose a form of activity.
2. Create a new lesson.

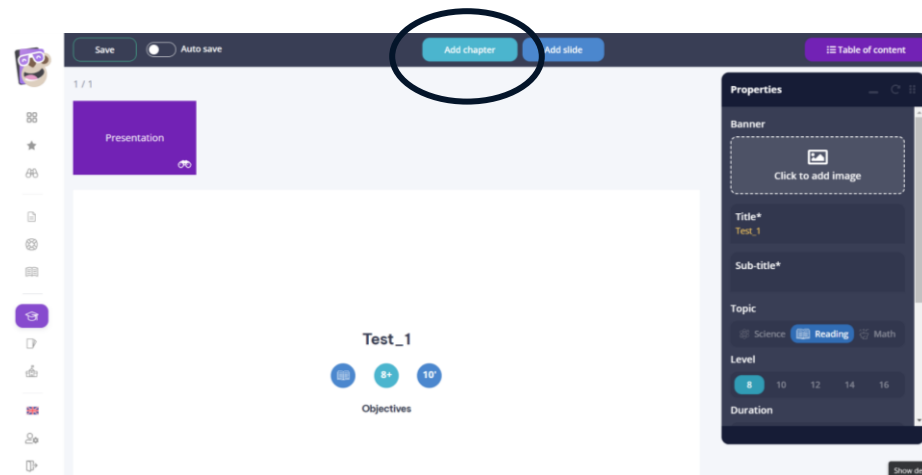

The screenshot shows the 'Dashboard' interface of the Flash Mind platform. At the top, it says 'Hello MiloCz!'. Below this, there is a section for 'Lessons' with a 'Create lesson' button. A modal window titled 'Create lesson' is open, showing a 'Title\*' input field, a 'Visibility' section with 'Public' and 'Private' options, and 'Cancel' and 'Save' buttons. A large black arrow points from the 'Create lesson' button on the dashboard to the modal window.

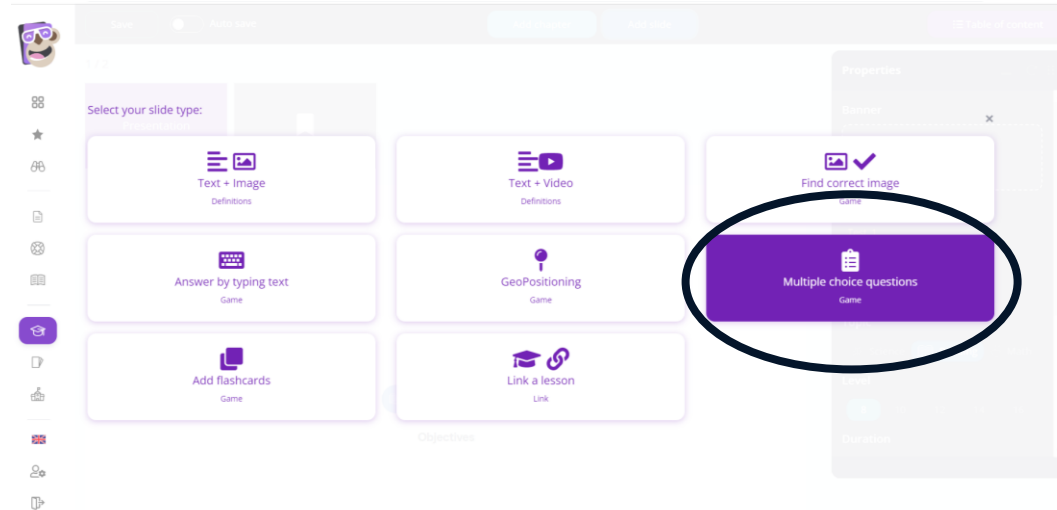

3. Presentation settings.

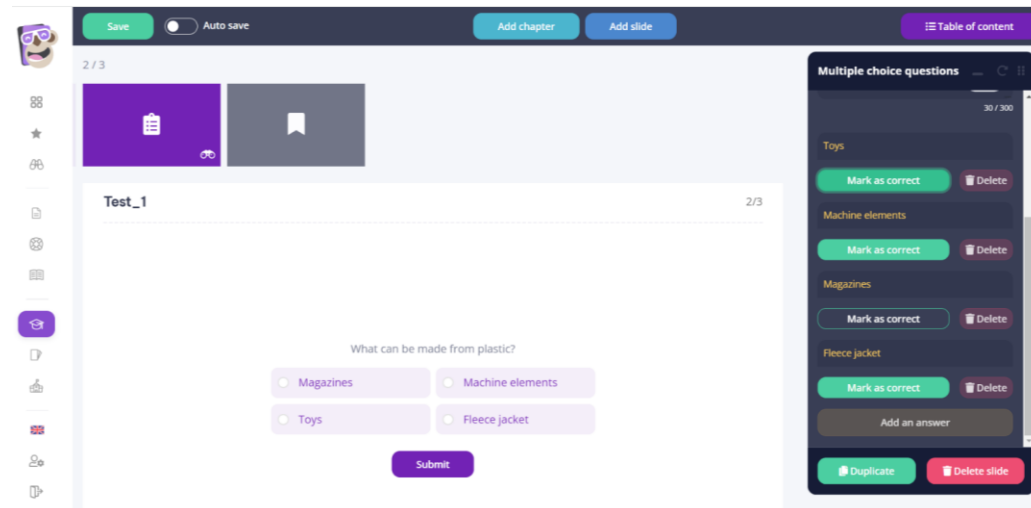

4. Add chapter.

5. Add multiple-choice questions.

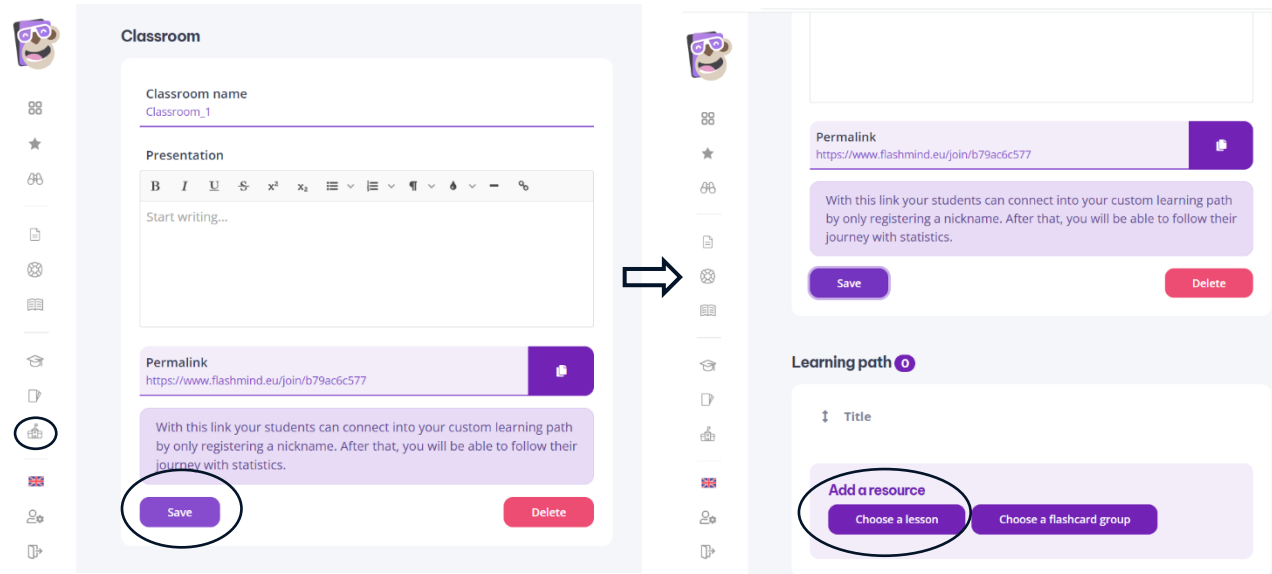

6. Add slide.

**SAVE AND PUBLISH**

1. Create a classroom.

2. Share the link with your students.
