2. S'inscrire ("Sign Up") - cliquez sur le bouton bleu à droite de la barre de navigation supérieure et créez un compte ou connectez-vous ("Login") si vous avez déjà un compte.

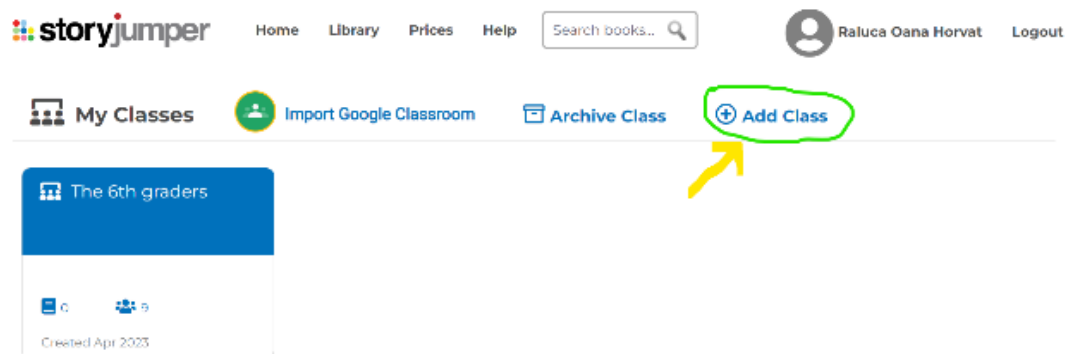

The screenshot shows the Storyjumper website interface. At the top, there is a navigation bar with the logo on the left and links for Teachers, Parents, Library, Prices, and Help. On the right side of the navigation bar, there are 'Login' and 'SIGN UP' buttons, with the 'SIGN UP' button highlighted by a red box. Below the navigation bar is a large blue banner with the text 'Author a brighter future' and a sub-headline: 'Where students, parents, and teachers collaborate to publish their own storybooks - that outlive them and impact their communities for generations to come!'. To the right of the banner is a 'Create a FREE account' section. This section includes two social login buttons: 'Sign in with Google' and 'Login with Facebook'. Below these is the text 'OR' and a text input field labeled 'Choose a username'. At the bottom of the section, it says 'Already have an account? [Login](#)'.

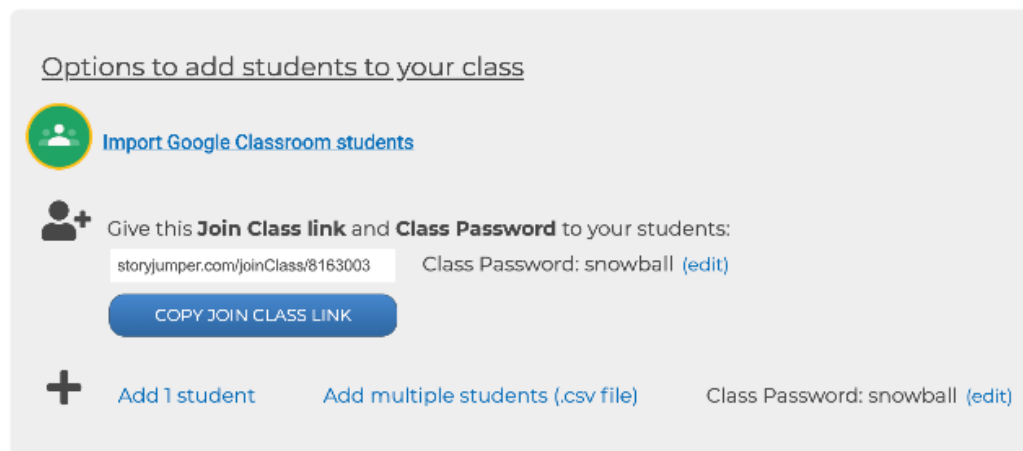

PRÉPARER L'ACTIVITÉ

1. Cliquez sur le bouton "Add Class" (Ajouter une classe) et saisissez les informations requises (nom de la classe, etc.).

2. Cliquez sur l'onglet "People" (Personnes) et cliquez sur "+ Add students" pour afficher les options d'ajout d'élèves :
- Si vous utilisez Google Classroom, importez vos élèves de Google Classroom. Donnez-leur le lien "Join class" (Rejoindre la classe) et le mot de passe de la classe.

- Si vous n'utilisez pas Google Classroom, l'autre option consiste à ajouter manuellement des comptes d'élèves en cliquant sur "Add 1 student" (Ajouter 1 élève) ou "Add multiple students" (Ajouter plusieurs élèves). Inscrivez le nom de chaque élève sur les pages qui lui sont attribuées, afin qu'il sache sur quelles pages il doit se concentrer
