

	<b>MATERIA</b>	Inglese
	<b>ARGOMENTO DELLA LEZIONE</b>	Vocabolario - Tecnologia, Computer, Internet
	<b>LIVELLO</b>	15-16 anni
	<b>STRUMENTO</b>	Diagnostic Questions
	<b>ATTIVITÀ</b>	Creare un quiz con Diagnostic Questions per imparare nuovi vocaboli

 **RISORSE:** Link utili sono inclusi nella sezione “Risorse” della sequenza pedagogica n°11.

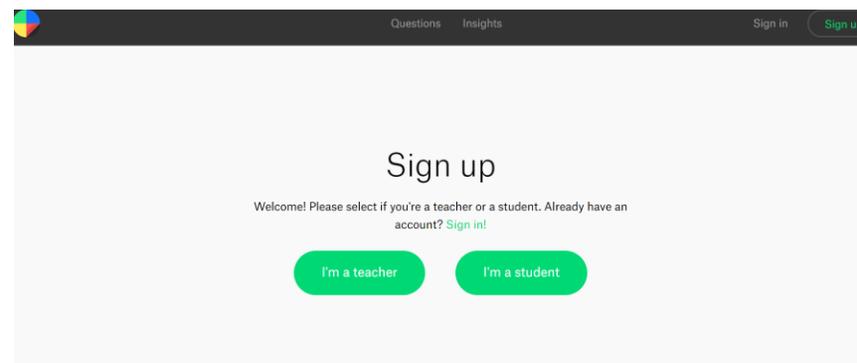

### PASSAGGI – PER INIZIARE

1. Andate sul sito web: [diagnostquestions.com](https://diagnostquestions.com)

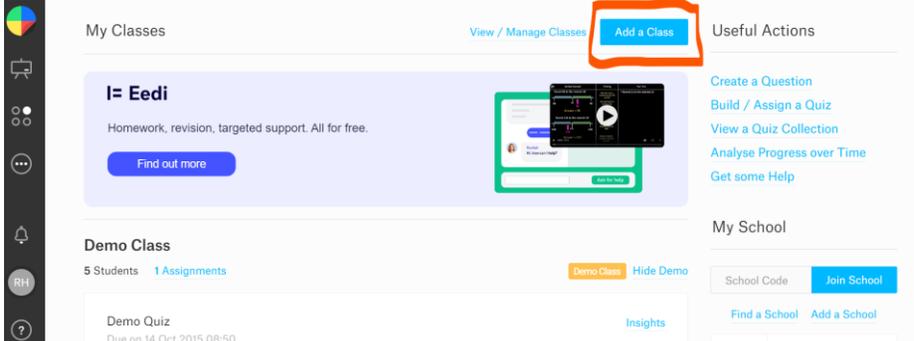

2. Cliccate su “Sign up” nella barra di navigazione in alto a destra per creare un account, o accedete se già ne avete uno (al momento dell’accesso, specificate se siete un insegnante o uno studente).

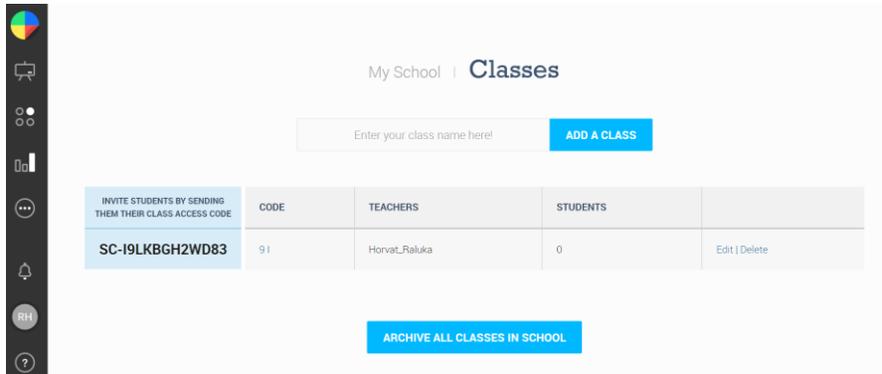

### PREPARARE L' ATTIVITÀ

1. Cliccate su “Add a class” (“Aggiungi una classe”) per creare la vostra classe.

The screenshot shows the 'My Classes' dashboard. At the top right, there is a blue button labeled 'Add a Class' which is highlighted with an orange rectangular box. Below this, there is a card for 'Eedi' with a 'Find out more' button. Further down, there is a 'Demo Class' section showing '5 Students' and '1 Assignments', with 'Demo Class' and 'Hide Demo' buttons. At the bottom, there is a 'Demo Quiz' due on 14 Oct 2015 08:50. On the right side, there is a 'Useful Actions' section with links like 'Create a Question', 'Build / Assign a Quiz', etc., and a 'My School' section with a 'Join School' button.

2. Invitate gli studenti inviando loro il codice generato dopo la creazione della classe.

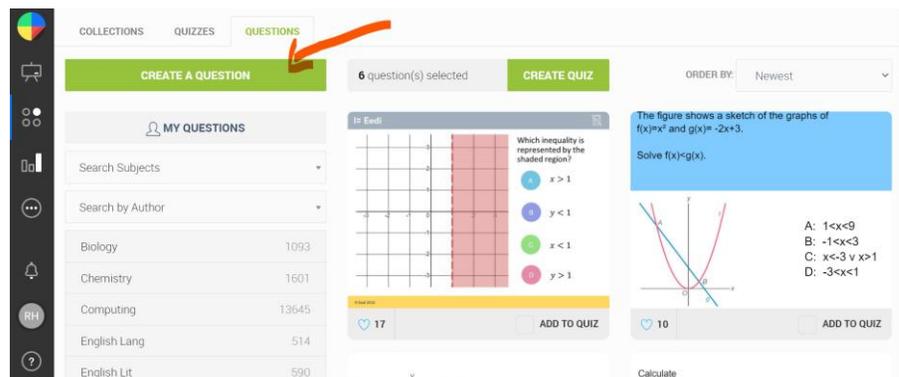

The screenshot shows the 'My School | Classes' page. At the top, there is a search bar with the text 'Enter your class name here!' and a blue 'ADD A CLASS' button. Below this is a table with the following data:

INVITE STUDENTS BY SENDING THEM THEIR CLASS ACCESS CODE	CODE	TEACHERS	STUDENTS	
SC-19LKBGH2WD83	91	Horvat_Raluka	0	Edit   Delete

At the bottom of the page, there is a blue button labeled 'ARCHIVE ALL CLASSES IN SCHOOL'.

- Cliccate su “Create a question” (“Crea una domanda”), poi su “Insert text” (“Inserisci il testo”), scrivete la domanda e le 4 risposte. L’Editor Online vi consente di creare facilmente le domande in pochi secondi.

The screenshot shows the 'QUESTIONS' section of the application. A red arrow points to the 'CREATE A QUESTION' button. Below it, there is a search bar and a list of subjects with their respective question counts:

Subject	Count
Biology	1093
Chemistry	1601
Computing	13645
English Lang	514
English Lit	590

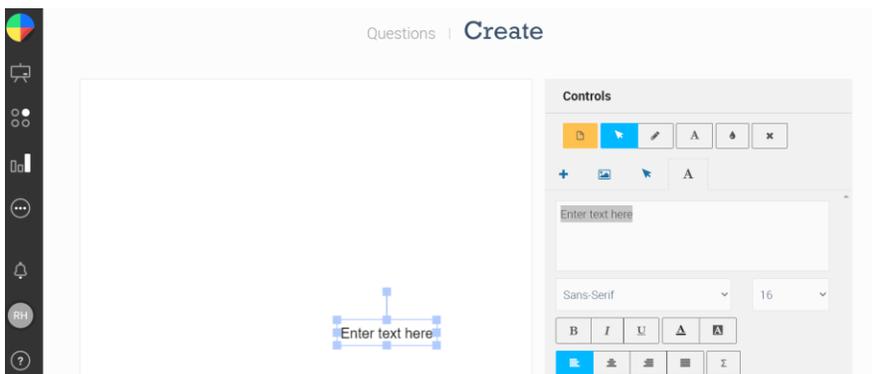

On the right, a question preview is shown with a graph and multiple-choice options:

Which inequality is represented by the shaded region?

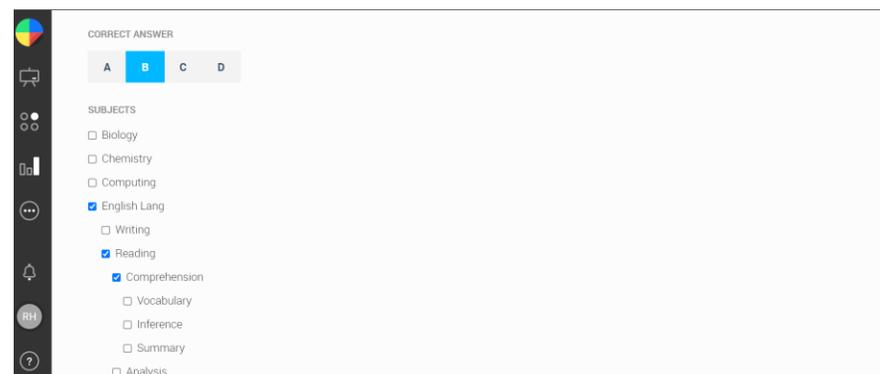

- A:  $x > 1$
- B:  $y < 1$
- C:  $x < 1$
- D:  $y > 1$

Below the graph, there is a 'Calculate' button and an 'ADD TO QUIZ' button.

- Selezionate la risposta corretta per ogni domanda (A, B, C, D) e indicate gli argomenti. Ogni domanda deve essere aggiunta al quiz.

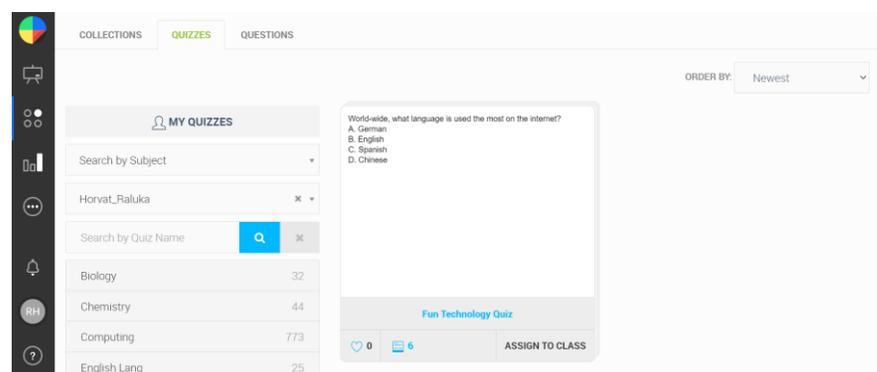

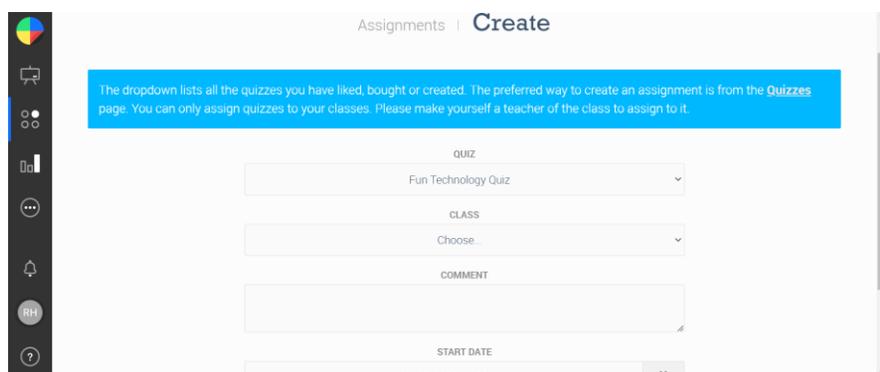

The screenshot shows the 'Create' question editor interface. It features a large text area for entering the question, a 'Controls' panel with various editing tools (bold, italic, underline, link, unlink, list, list-item, link, unlink, link, unlink, link, unlink), and a 'Enter text here' placeholder.

The screenshot shows the 'CORRECT ANSWER' selection interface. It features a grid of radio buttons for selecting the correct answer (A, B, C, D) and a list of subjects to select from:

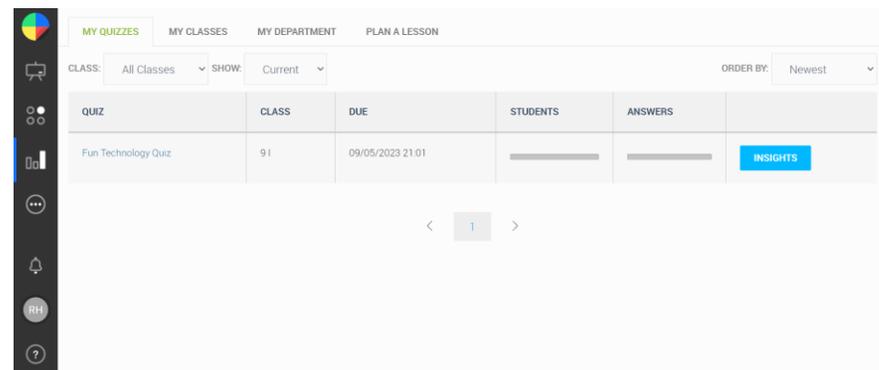

- Biology
- Chemistry
- Computing
- English Lang
- Writing
- Reading
- Comprehension
- Vocabulary
- Inference
- Summary
- Analysis

- Dopo che tutte le domande sono pronte, cliccate su “CREATE QUIZ” (“CREA QUIZ”) e assegnatelo alla vostra classe.

## SALVARE E PUBBLICARE

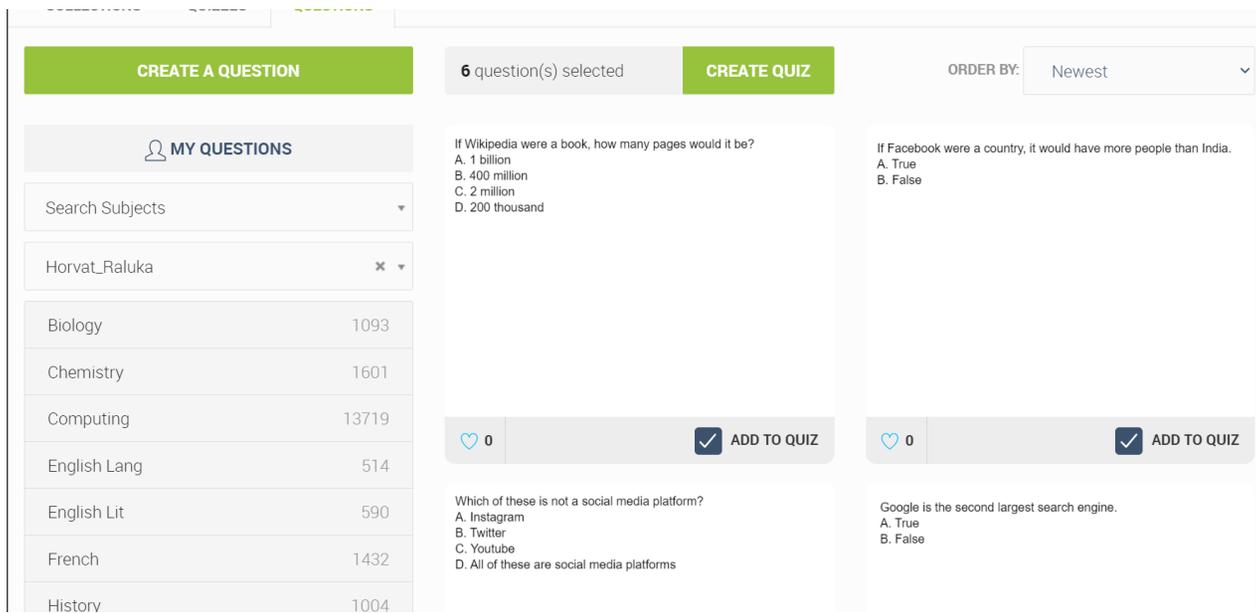

- Assegnate ai vostri studenti il quiz caratterizzato da una risposta giusta e tre risposte sbagliate così da testare meglio le conoscenze apprese. Potete assegnare i quiz solo alle vostre classi.
- Potete controllare tutti i risultati degli studenti che sono automaticamente registrati.

## INFORMAZIONI AGGIUNTIVE

Potete vedere un esempio di quiz creato con Diagnostic Questions:

The screenshot shows a user interface for creating a quiz. On the left, there is a sidebar with a 'MY QUESTIONS' section containing a search bar and a list of subjects with their respective question counts:

Subject	Count
Biology	1093
Chemistry	1601
Computing	13719
English Lang	514
English Lit	590
French	1432
History	1004

The main area displays a '6 question(s) selected' status and a 'CREATE QUIZ' button. Below this, there are two question cards, each with a heart icon and a '0' count, and an 'ADD TO QUIZ' button. The first card asks: 'If Wikipedia were a book, how many pages would it be?' with options A. 1 billion, B. 400 million, C. 2 million, and D. 200 thousand. The second card asks: 'If Facebook were a country, it would have more people than India.' with options A. True and B. False. A third card asks: 'Which of these is not a social media platform?' with options A. Instagram, B. Twitter, C. Youtube, and D. All of these are social media platforms. A fourth card asks: 'Google is the second largest search engine.' with options A. True and B. False. An 'ORDER BY: Newest' dropdown menu is visible at the top right.
