ZAPISZ I OPUBLIKUJ

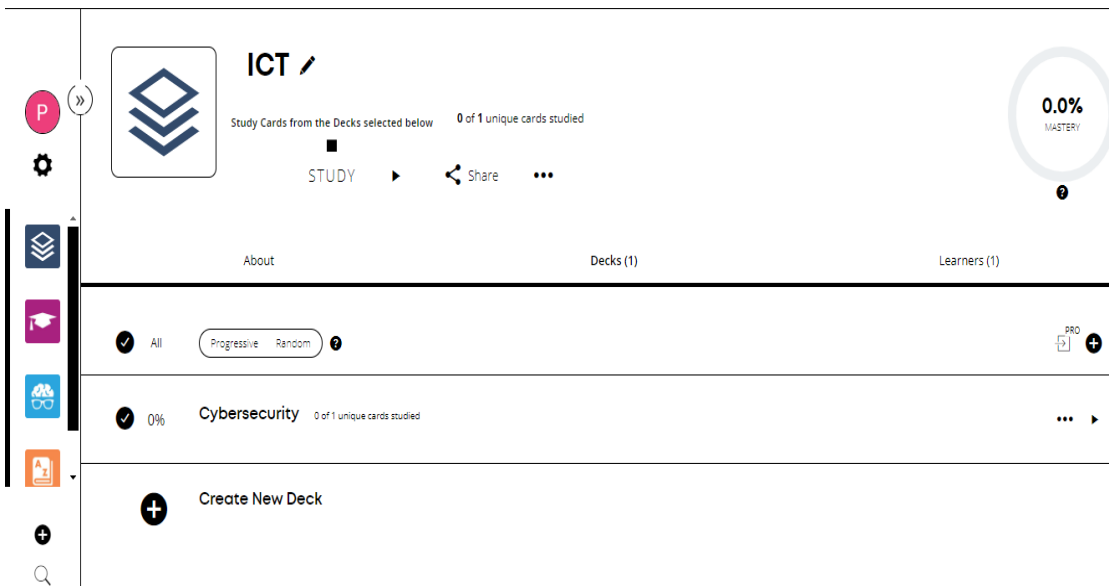

1. Talia zostanie automatycznie zapisana w Twojej klasie

The screenshot shows the Anki interface. On the left, a sidebar displays 'My Classes (4)' with a search icon and a plus sign. The classes listed are: ICT (with a green cube icon), Knowledge Rehab (with a purple graduation cap icon), Street Smarts (with a blue person icon), and Vocab Workout (with an orange book icon). An arrow points from the 'ICT' class to the 'Cybersecurity' deck in the main view. The main view shows a 'STUDY' button, a 'Share' button, and a 'Mastery' progress indicator. Below the buttons, there are three sections: 'About', 'Decks (1)', and 'Learners (1,1)'. The 'Decks (1)' section shows a list of decks: 'DECKS' (with a checkmark and a plus icon), '0% Cybersecurity' (with '0 of 1 unique cards studied' and a plus icon), and 'Create New Deck' (with a plus icon). An arrow points from the '0% Cybersecurity' deck to the 'Create New Deck' button.

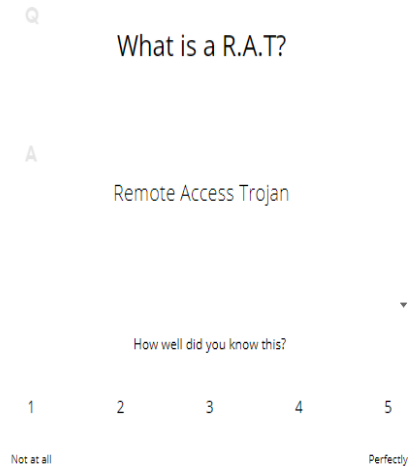

2. Kliknij kartę odtwarzania, aby wykonać ćwiczenie z uczniami

DODATKOWE INFORMACJE

The screenshot shows the Anki desktop application interface. At the top, the 'ICT' deck is selected, showing a progress indicator of 0.0% (MASTERY) and 0 of 1 unique cards studied. Below this, there are tabs for 'About', 'Decks (1)', and 'Learners (1)'. The 'Decks (1)' tab is active, showing a list of decks: 'All' (Progressive, Random) and 'Cybersecurity' (0% progress, 0 of 1 unique cards studied). A 'Create New Deck' button is visible at the bottom left of the deck list.

Deck: Cybersecurity Card: 1/1

The screenshot shows a flashcard question: "What is a R.A.T?". The answer is "Remote Access Trojan". Below the answer, there is a rating scale with five points, labeled "How well did you know this?". The scale is currently empty, with "Not at all" on the left and "Perfectly" on the right.
