

FLASHMIND

<https://www.flashmind.eu/>

 **CATEGORY:** Action

 **GRADE AND SUBJECT:** Students from higher primary education and teachers.

 **SHORT DESCRIPTION:** Flashmind is a platform for learning, reviewing, and consolidating skills with flashcards, learning interactive paths and lessons.

READING TIME: 4 minutes
.....

 **LEARNING GOALS:** This tool is an interactive learning platform that can help students learn and memorise with the help of visuals and learning interactive paths. There are ready-to-use lessons on the platform, but the teacher can create their lessons and flashcards. With this level of customization, the platform is very inclusive.

 **MOMENTS OF NEED OF THE TOOL:** Learning for the first time; expanding on what they have learned; learn a new way of doing something.

 **LEVEL OF DIFFICULTY (RATING) AND AGE LEVEL:** Medium, 8+

 **WHY USE THIS TOOL:** Flashmind is available online for free. The platform has several lessons already created in several areas. The platform is easy to use and engaging with the use of visuals and interaction to motivate learners. It also has practical sheets to help teachers adapt their lessons in an interactive way introducing new tools and pedagogical guides.

TOOL DESCRIPTION: Flashmind is a platform with a wide range of tools for teachers. For example, the learners can have access to flashcards with videos or images, they can also reply to a question by typing or have a multiple-choice option. Teachers can assign resources to students and track their progress. The platform is available in six languages, including English.

PREPARATION AND HOW TO USE THE TOOL: To use Flashmind the user must register and create an account. The user can directly access flashcard groups or create new ones, as can be seen on the image below. To find out more: <https://www.flashmind.eu/discover>.

RESOURCES NEEDED: Computer/Notebook per group – Mobile phone – Interactive whiteboard

PROS AND CONS OF USING THE TOOL:

PROS Ready-to-use material for teachers; possibility of printing the flashcards; interactive, engaging, and inclusive platform; flash cards can be used by the teacher as an additional aid to provide an overview at the beginning or end of the lesson.

CONS To use the platform, it is necessary to have a good internet connection; not recommended for in-depth analysis of a topic as they only provide key information.

TEACHERS' RECOMMENDATION RATE (SCORE): NA
