

 DISCIPLINA	TIC
 TEMA	Securitate cibernetică
 NIVELUL	15-18 ani
 INSTRUMENT	Brainscape
 ACTIVITATE	Flashcard-uri

 **RESURSE:** Informații legate de subiect. Link-uri utile sunt incluse în secțiunea "Resurse" din secvența pedagogică nr. 3.

 **PAȘII – SĂ ÎNCEPEM**

1. Accesați site-ul: Brainscape.com

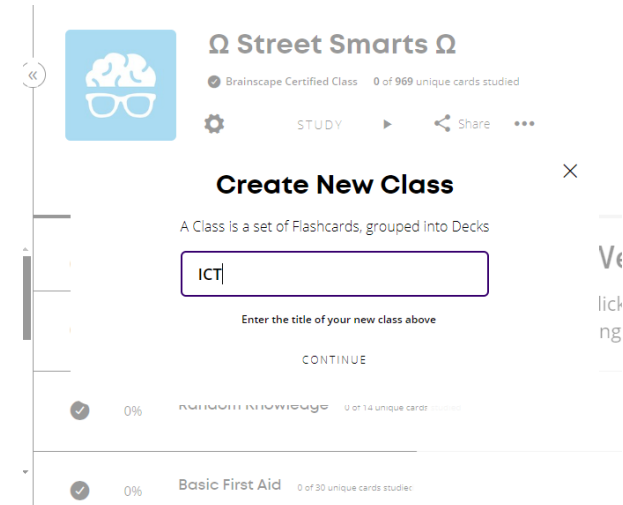

2. Click pe 'Log-In' (conectare) și sign in cu un cont apple or gmail, sau creați un nou cont.

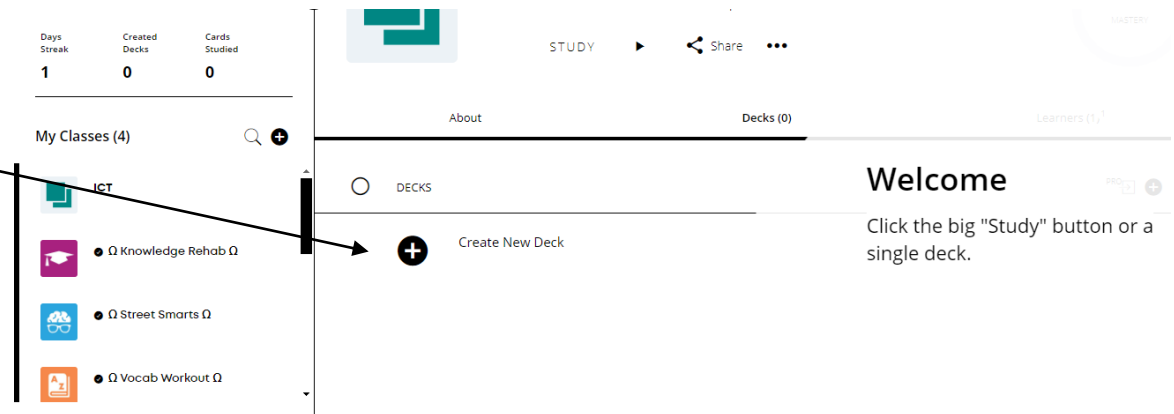

PREGĂTIȚI ACTIVITATEA

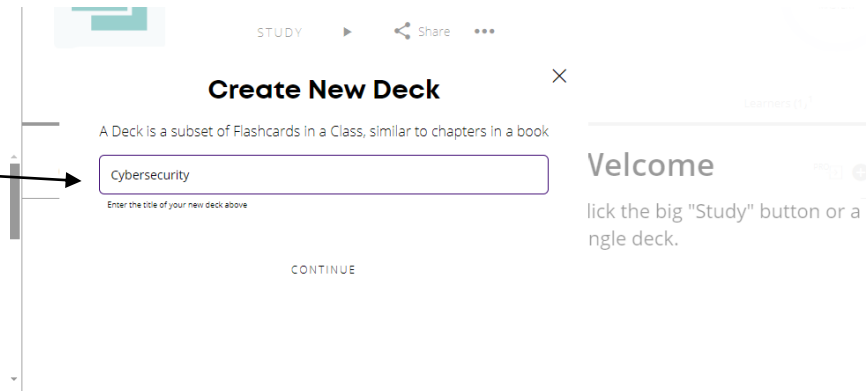

1. Mergeți la tabloul de bord și selectați opțiunea "Create a class" (Creați o clasă).

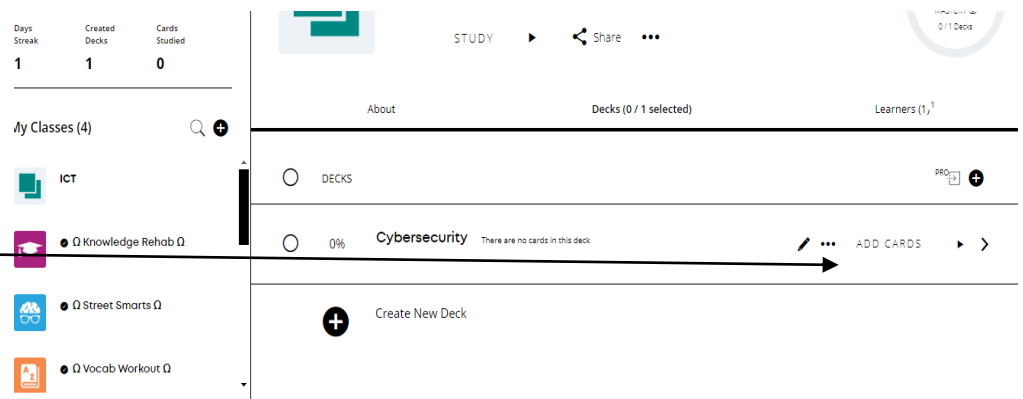

2. Click pe opțiunea "Create New Deck" (creați o bară nouă).

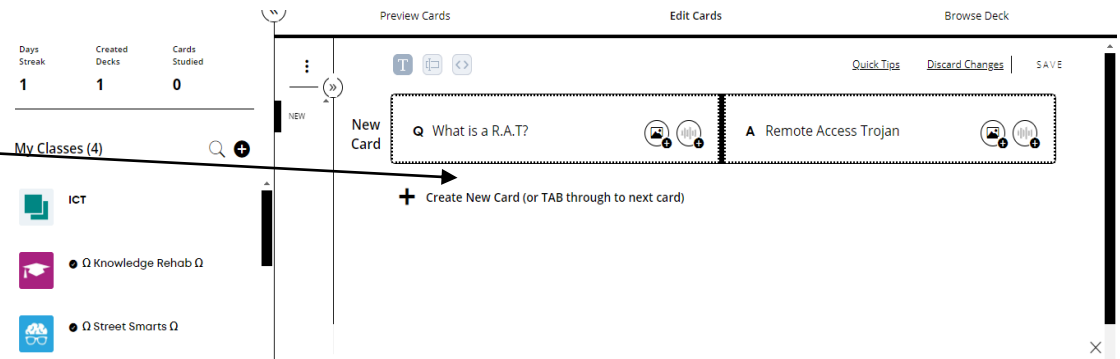

3. Dați un titlu și apoi apăsați "continue" (continuă).

4. Dați clic pe fila "ADD CARDS" pentru a vă crea cartonașele.

5. Introduceți întrebarea și răspunsul pentru cartonaș.

New Card

Q Question

A Answer

+ Create New Card (or TAB through to next card)

7. Când ați terminat de creat cartonașe, dați clic pe fila "STUDY DECK" din colțul din dreapta..

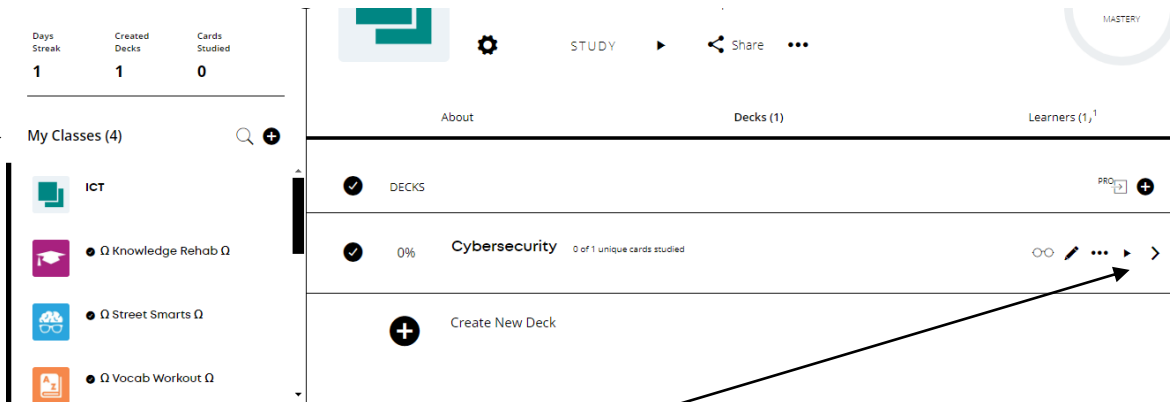

The screenshot displays the 'Cybersecurity' study deck interface. At the top right, the 'STUDY DECK' label is highlighted with a right-pointing arrow. Below it, three tabs are visible: 'Preview Cards', 'Edit Cards', and 'Browse Deck'. The left sidebar shows a list of cards, with '2: New Card' selected. The main area shows two cards: '1: What is a R.A.T? Remote Access Trojan' and 'New Card' with a 'Question' field and an 'Answer' field. A '+ Create New Card (or TAB through to next card)' button is at the bottom.

SALVAȚI ȘI PUBLICAȚI

1. Pachetul este salvat automat în clasa dvs

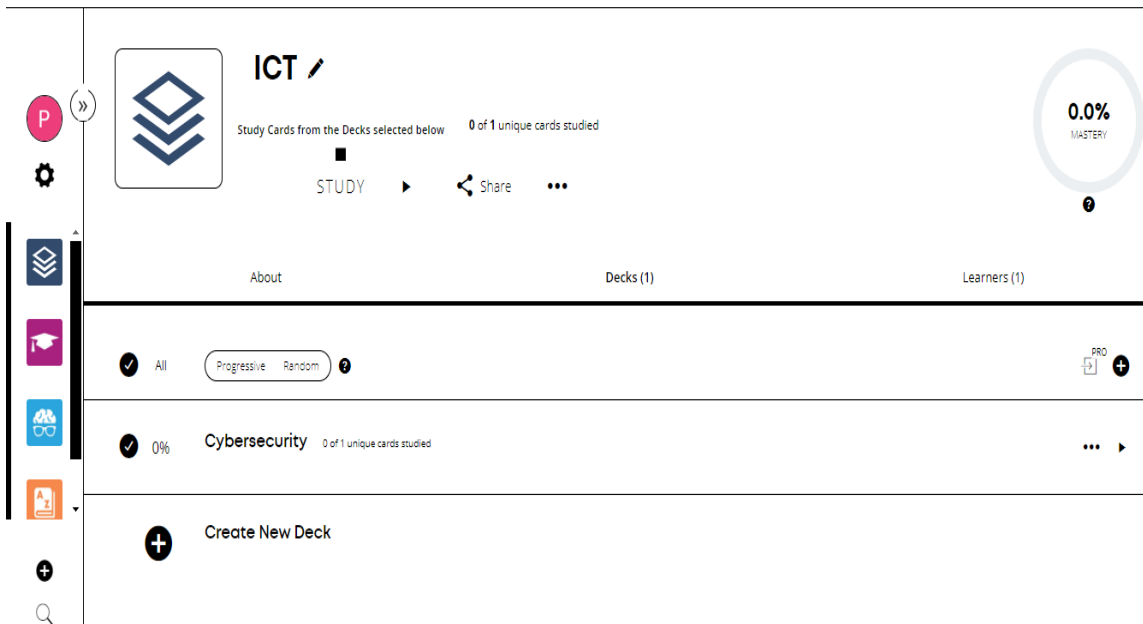

The screenshot shows the Anki interface. At the top, there are statistics: Days Streak (1), Created Decks (1), and Cards Studied (0). Below this is a section titled 'My Classes (4)' with a search icon and a plus sign. It lists four classes: ICT, Knowledge Rehab, Street Smarts, and Vocab Workout. To the right, there is a 'Cybersecurity' deck with 0% progress and 0 of 1 unique cards studied. There are also buttons for 'STUDY', 'Share', and 'Create New Deck'.

2. Dați clic pe fila de joc pentru a desfășura activitatea cu elevii.

 **INFORMAȚII SUPLIMENTARE**

The screenshot shows the application interface for the 'ICT' deck. At the top, it displays 'ICT' with a pencil icon, 'Study Cards from the Decks selected below', and '0 of 1 unique cards studied'. A circular progress indicator shows '0.0% MASTERY'. Below this, there are tabs for 'About', 'Decks (1)', and 'Learners (1)'. Under the 'Decks (1)' tab, there is a list of decks: 'All' (Progressive, Random), 'Cybersecurity' (0% mastery, 0 of 1 unique cards studied), and 'Create New Deck'.

Deck: Cybersecurity Card: 1/1

The screenshot shows a question card with the text 'What is a R.A.T?' and the answer 'Remote Access Trojan'. Below the answer, there is a rating scale with five points, labeled 'How well did you know this?'. The scale is currently empty, with 'Not at all' on the left and 'Perfectly' on the right.
